Mitali Chavda

About

Hello, I am
Mitali Chavda

Passionate Graphic and Web Designer with a keen eye for aesthetics, functionality, and user experience. I specialize in branding, social media creatives, UI design, and web visuals, crafting designs that are both engaging and effective. Proficient in Adobe Photoshop, Illustrator, and XD, with hands-on experience in logo design, marketing materials, and digital assets. On the web side, I bring creativity into code — skilled in HTML5, CSS3, JavaScript, Bootstrap, AngularJS, PHP, and MySQL — allowing me to design and develop responsive, user-friendly websites that align with brand identity and usability goals.
